"Every Silversea voyage is a journey of discovery, benvenuti a bordo."

— Manfredi Lefebvre d'Ovidio, Chairman, Silversea

European Luxury. Personally Yours.

You are cordially invited to experience the extraordinary. The world of Silversea. It is a world of European elegance and sophistication. All-inclusive, highly personalised and breathtaking in scope. Aboard our intimate ships you'll discover a passion for perfection inherent in everything we do — inspired service that attends to the unspoken, an uncompromising commitment to quality, and journeys that are almost infinitely customisable driven by our consummate desire to please.

Since Silversea's inception in 1994, our lofty standards have become the universal benchmark

in ultra-luxury cruising, from all-suite accommodations with personal butler service and the most magnificent appointments to the truly epic epicurism that defines our cuisines.

Equally gratifying are the people you meet. There's a relaxed, close-knit camaraderie that only a small ship can provide. And thanks to our Italian heritage, an ambience of friendly hospitality and international cachet that attracts worldly guests from around the globe.

Travel is the elixir of life at Silversea and every cruise is a voyage of discovery. Come explore the possibilities.

Silversea's All-Inclusive Lifestyle

INTIMATE SHIPS FOR JUST 296 TO 540 GUESTS

SILVER CLOUD

Our Fleet

Silver Cloud® | 296 Guests

Setting the standard of excellence as the inaugural ship in our fleet, *Silver Cloud* offers the luxury of space and the ability to slip into exotic ports off the beaten path. A dry-dock refurbishment is planned for 2012.

Silver Wind® | 296 Guests

Similar to *Silver Cloud*, *Silver Wind* embraces Silversea's iconic signatures — fewer guests, more space and highly personalised service. She is one of the most intimate ships afloat, yet large enough to offer multiple entertainment venues, plenty of deck space, an expanded spa, wine bar and more.

Silver Shadow® | 382 Guests

Built with proportions slightly larger than her predecessors, *Silver Shadow* takes award-winning, all-suite luxury to the next level while maintaining Silversea's genuine hospitality and wonderfully intimate ambience. And has a fresh new look thanks to her refurbishment this spring.

Silver Whisper® | 382 Guests

Silver Whisper offers the same convivial ambience and special amenities usually found only on larger vessels. Her recent refurbishment included a complete makeover of her suites and public areas.

Silver Spirit® | 540 Guests

The newest vessel in the fleet, *Silver Spirit* combines the distinctive luxuries and celebrated lifestyle of Silversea with a number of enhancements, including six dining venues, an 8,300 square-foot spa and the largest suites in the fleet — 95% with private verandas.

Silver Explorer | 132 Guests (formerly *Prince Albert II*)

Designed to navigate in some of the world's most remote destinations, our purpose-built expedition ship offers a level of luxury unmatched in expedition cruising. This brochure presents our Silversea Expeditions in a special section beginning on page 34.

The Small Ship Advantage

There are those for whom the sea is a connection to the world around them, a bridge to understanding different cultures and creeds. For people born with a wanderlust, there are the intimate ships of Silversea.

Easily navigating the tiny islands, hugging the coastline, our vessels can sail up a narrow waterway into the heart of a city, tie up right at the pier while others must anchor off shore, or venture into smaller, less travelled harbours for a more authentic glimpse beyond the glossy postcards. And with our small-group tours,

you can explore the unfamiliar in a far more personal way, with more opportunities to discover the less-travelled landscapes.

Transcendent experiences rarely happen in a crowd. It is the small ship advantage that allows us to create such intimate, personalised encounters ashore. The bespoke adventures and private arrangements. The unlimited opportunities to roam where you please. Experiences that can transform a vacation into the voyage of a lifetime. Allow us to create one for you.

VERANDA SUITE

Suites Made-to-Measure

Silversea's highly personalised style of travel is readily apparent in the choices offered in your spacious suite. This is your own home away from home, so customise it as you please. Would you prefer a firm or soft mattress? A queen or twin bed? Down or hypoallergenic pillow? From Bvlgari toiletries to personalised stationery, you'll discover everything you would expect in the finest hotel. Correction — more than you would expect. How many hotel suites include a bar with your favourite wines and liquors — and all on the house?

Come slip into something comfortable. Soak in a soothing lavender bath. Stretch out on the sofa and watch a movie on demand. Or sip champagne on your veranda while the ocean swims by. There's a private veranda in almost every suite so that you can breathe in the fresh ocean air just by stepping outside your door. Then tonight if you're not in the mood to dine out — dine in. You can enjoy a superb repast served course by course in suite. And should you care to invite friends in to join you, be our guest.

At Your Service

You'll bask in sumptuous surroundings and indulge in lavish amenities. But it is service that creates the true Silversea experience. The bartender who remembers your preferred libation. A fluffy towel handed to you as you exit the pool. The butler who polishes your shoes while you're out exploring the world. It is these intuitive acts of thoughtfulness that create such a personal sense of comfort and well-being. But then with a service ratio of nearly one staff member per guest, you would expect nothing less.

Step aboard and unwind as we indulge you with fresh flowers and our undivided attention. Have the chef prepare your favourite soufflé à la minute. Ask the shore concierge to procure the best table at one of the top restaurants in town. Or tell your butler to arrange a private class with the personal trainer. It is a rare treat to experience service on such a high plane. Service that takes care of every detail and puts you immediately at ease, so you are free to enjoy life at its best through the wonder of travel.

Haute Cuisine on the High Seas

For some travellers, the cuisine defines a voyage. Fortunately the culinary arts have always been a major focus thanks to our Italian heritage, and each night presents an array of delectable alternatives from classical French to Asian fusion.

Wine lovers will surely want to raise their glass to Le Champagne by Relais & Châteaux where some of the world's rarest labels are expertly paired with a six-course menu de dégustation. Although no matter where you dine, you can choose from an extensive selection of red and white wines that are complimentary, but always of exceptional quality.

Authentic Italian recipes and fresh, sustainable ingredients come together with passion in La Terrazza, the first and only Slow Food restaurant at sea approved by this exciting international movement. The “hot” place to dine is The Grill near the pool, an interactive eatery where you can grill prime cuts or fresh seafood on a heated volcanic rock while enjoying a fiery sunset. Or stroll over to The Restaurant with its ever-changing menus of Relais & Châteaux specialties. Why not ask the couple you just met to join you? With our open-seating policy, you can arrive at your leisure and dine with whomever you please.

Menu du Monde for Globetrotting Guests

Renowned for culinary excellence and innovative spirit, Silversea offers at least four dining choices on every ship — six aboard *Silver Spirit*. And for our newest pièce de résistance — Slow Food!

THE RESTAURANT

Dine amid sparkling crystal, fine porcelain, candlelight and sweeping ocean views in our main restaurant. Join friends or find a table for two. Menus including specialities by Relais & Châteaux, exclusively created for Silversea, change daily. *Open-seating dining for breakfast, lunch and dinner.*

LA TERRAZZA AND SLOW FOOD — NEW!

Silversea is delighted to announce our new partnership with Slow Food, an eco-gastronomic concept that began at the grass roots level in reaction to “Fast Food.” Slow Food is dedicated to proper land stewardship while preserving cultural food traditions. In La Terrazza you can enjoy authentic Italian specialties that reflect the core tenets of Slow Food. For example, we use buffalo mozzarella from Naples, organic balsamic vinegar and olive oil from Umbria, and air-dried ham out of Parma. The Emilia-Romagna region also produces our 24-month aged Parmigiano Reggiano, while our pasta is made daily right on board. In other words — fresh, sustainable and locally grown. Enjoy! *Open-seating dining for buffet breakfast and lunch. Reservations required for dinner.*

LE CHAMPAGNE BY RELAIS & CHÂTEAUX

A six-course *menu de dégustation extraordinaire* featuring rare wines complemented by a set tasting menu of regionally inspired dishes. Some of the world’s most celebrated vintages are chosen by Relais & Châteaux sommeliers to highlight each course. The only Relais & Châteaux restaurant at sea. *Reservations required. Per guest reservation fee.*

SEISHIN RESTAURANT (*Silver Spirit*)

Taking its name from the Japanese word for “spirit,” this intimate restaurant specialises in Asian fusion cuisine with sake pairings, either à la carte or with a nine-course dégustation menu. Enjoy hors d’oeuvres of sushi, sashimi and caviar from the Chef’s Table, where the sushi master displays his culinary artistry. *Reservations recommended. Per guest reservation fee.*

STARS SUPPER CLUB (*Silver Spirit*)

A retro supper club that recalls the romance and glamour of the legendary Rainbow Room in New York. You can spend the entire evening here, beginning with cocktails. Dine on delectable small plate selections and dance the night away to live jazz or the velvety sounds of a cabaret singer. *Reservations required.*

POOL GRILL AND HOT ROCK DINING

Poolside convenience for breakfast and lunch including fresh-from-the-oven pizza and lighter fare. When the stars come out, this popular eatery is transformed into The Grill, an interactive dining venue where fresh seafood and prime cuts are grilled tableside on a heated volcanic rock plate. *Open-seating dining for lunch. Reservations required for dinner.*

IN SUITE

Dine course by course on Relais & Châteaux selections from The Restaurant during dinner hours. A room-service menu is also available 24 hours a day.

Play It Your Way

Life seems to slow considerably when you're sailing the ocean blue. Which is fortunate considering all your options. With their inordinately generous space ratios, our ships can accommodate a surprising array of facilities and activities.

There are singles events, bridge tours, blackjack tournaments and water volleyball. You can learn the samba or tango on your way to Rio or Buenos Aires. Make a visit to the jogging track part of your daily routine, or the fitness centre or an aerobics class.

Of course, if you want to put yourself on cruise control, that's ok, too. You can laze by the pool for

hours on end. We would never presume to intrude. Although if you miss that bridge class on competitive bidding, don't blame us!

Silversea also offers all kinds of opportunities for learning and personal growth: cooking demonstrations and wine tastings so that you can savour the flavours of the lands you visit, health and nutrition seminars at the spa, lectures by eminent destination experts. Go shopping with the chef at the local market. Take in a movie matinee (we'll supply the popcorn). Regardless of how you decide to wind down or wind up, one thing is certain. You'll never be bored aboard our ships.

An Ocean of Options

The ocean views and soothing sound of the surf can be quite intoxicating, so it's not surprising that daydreaming on deck is one of the most popular pastimes. However, our ships also offer a considerable number of more active pursuits — some for the body, some for the mind ... and some just for fun.

Silver Perspectives to Enrich Your Life

Whether your interests lean toward history and culture or you love the great outdoors, Silversea's complimentary enrichment programme is a fundamental component of every voyage. Silver Perspectives offers lectures, informal talks and demonstrations to enhance your understanding of the lands you visit, and the people who live there.

DESTINATION CONSULTANTS

Silversea's knowledgeable Destination Consultants have been carefully selected for their regional expertise. On most voyages, a Destination Consultant presents informal discussions about the history and culture, the highlights and must-see places of interest, and where to shop or dine. They provide insight about the various shore excursions available to help you make the best selection, and even accompany some of the tours. In places like the Panama Canal or Alaska's Inside Passage, you'll hear them expounding about the sights with commentaries from the bridge. And they are also available to answer individual queries — in their office or at a round table discussion, perhaps. Or join them at dinner and enjoy convivial conversation along with some expert advice.

ENRICHMENT GUEST LECTURERS

Longer voyages that include three or more days at sea feature enrichment lectures from a distinguished guest lecturer. These worldly ambassadors are drawn from diverse walks of life — authors, journalists, naturalists, professors and other specialists — and topics may range from politics to the environment, from tribal customs to ancient history. As you sail through the Red Sea, for example, you may hear about the latest discoveries in the Valley of the Kings from a leading Egyptologist, or listen to tales of Aboriginal Dreamtime on a cruise to the wonders Down Under ... stimulating discussions that offer fascinating insights into the culture and customs of a region.

CULTURAL VOYAGES

As travellers, we seek to gain appreciation and a better understanding of the lands we sail to. Along with seeing the sights, we strive to know about a people's heritage, cuisines, customs and traditions. Some of our longer cruises offer complete immersions into the natural and cultural environment of the destination. On a voyage around South America, you may learn more about Chilean wines, Peruvian art and pre-Columbian antiquity from a spectrum of world-class experts — anthropologists, archaeologists, wine experts and the like, whose fresh perspectives guarantee a most memorable and meaningful experience ashore.

REGIONAL FLAVOURS AND FOLKLORIC SHOWS

In various ports of call, local celebrity chefs or oenologists come aboard with wine tastings or cooking demonstrations to give you a taste of the places you visit. You can even savour the rhythms of your destination from local performers who bring the best from their culture on board.

ARTS AND ENTERTAINMENT

Take a dance class. Sit in on a health or nutrition seminar, or venture into cyberspace with an instructor. From arts and crafts to aqua aerobics, we offer all kinds of complimentary classes to suit different pleasures and passions.

Culinary Enrichment

The culinary arts have always been a highlight of Silversea and almost every voyage offers a variety of savoury experiences, from our exclusive Relais & Châteaux cooking school to immersive food and wine theme voyages that showcase the culinary traditions of their destination.

- *Cooking Demonstrations* — Watch the chef prepare dishes followed by wine pairings with the sommelier.

- *Market to Plate* — Shop with the chef for fresh ingredients at a local market that will be skillfully transformed into masterpieces of regional specialties.
- *Culinary Outing** — Enjoy an excursion with the chef to a local restaurant or even a Relais & Châteaux property where an eminent chef reveals his talents.
- *Cooking Competition* — Learn and have fun during these entertaining competitions that pit Silversea's executive chef against the ship's own culinary team.

CULINARY ARTS VOYAGES

Escorted provisioning excursions to international markets will satisfy your appetite for a truly authentic local experience.

SLOW FOOD VOYAGES

Embark on a voyage featuring chefs recommended by Slow Food, renowned culinary experts and oenologists who champion regional gastronomy as well as the elimination of the heavy carbon footprint prevalent in today's food industry.

WINE SERIES VOYAGES

Enjoy lectures by world-class vintners, tastings and optional private tours to renowned vineyards and wineries. On board you can savour an extensive selection of fine wine pairings with lunch and dinner.

The World ... Carte Blanche

Where do we go? Wherever you want to. With voyages to over 450 ports on seven continents, the top ten places on your wish list are most likely along our routes. You can explore China, Korea and Vietnam or go on safari in South Africa. There's wadi-bashing in Arabia and wine-tasting in Bordeaux. Or perhaps you would prefer the ethereal glow of the midnight sun or the scenic splendours of New Zealand. The possibilities are almost infinite — and highly personalised as well: the delight of waving to a yachtsman as you sail into a small, secluded harbour ... the convenience of tying up dockside while others must anchor off shore.

We can even position our ships to capture a fiery sunset while you dine, or to cruise scenic waterways — the Thames from London, for example, or the Kiel Canal to the Baltic — nautical routes well beyond the reach of modern mega-vessels.

This year again we are delighted to offer a glorious 115-day World Cruise to the global treasures and hidden jewels across five continents aboard the newly refurbished *Silver Whisper*. And for the more intrepid traveller, don't forget our thrilling *Silver Explorer* expeditions to Antarctica, the Arctic, and to the world's most remote destinations in between.
