

Alaska, Canada & New England

Cruise Alaska with Norwegian Cruise Line and get up close and personal to some of the most impressive scenery on earth. Discover snow-capped mountains, forests, waterfalls, amazing wildlife on land and sea and watch from the deck of your ship as ancient glaciers calve icebergs into the ocean around you. It's magnificent.

The beautiful scenery of the north-eastern seaboard of North America takes on special hue in autumn, as the leaves turn the landscape into a riot of reds and golds. It's the perfect time to explore the great outdoors, charming seaports, golden beaches and fascinating cities like Boston, Halifax and Quebec City, where history is carefully preserved.

Alaska

Magnificent Glacier Bay and Sawyer Glacier are the highlights of our scenic Alaska cruises and you'll be amazed as your ship sails up close to huge glaciers calving icebergs. Add in spectacular scenery, really wild wildlife and picturesque ports with their memories of the Gold Rush and it's a cruise like no other.
