

# The beautiful Hawaiian Islands

Hawai'i – it's one of the world's dream destinations and the ultimate way to discover it is with Norwegian Cruise Line aboard Pride of America. That's because this U.S.-flagged ship is the only cruise ship to offer inter-island cruises to all four main islands, giving you around 85 hours in port to see and do more. So, come island hopping in paradise and explore beautiful beaches and truly stunning land and seascapes. Watch volcanoes erupt against a dramatic night sky; descend beneath the waves in a submarine; learn to surf or dance the hula; and get the chance to play golf on some of the island's finest courses with our exclusive Elite Golf programme.
