

The incredible Panama Canal

It's not like Norwegian Cruise Line to take shortcuts, but with the incredible Panama Canal, we make an exception. This voyage of a lifetime makes the transit between the Pacific and Atlantic Oceans, passing through three gigantic locks, narrow cuts and across lakes surrounded by tropical jungle. And as you travel from coast to coast, you'll have time to explore exotic ports of call, like Spanish-colonial Cartagena; Puntarenas – gateway to Costa Rica's rainforests; the beautiful beaches of Cabo San Lucas and so much more.

Panama Canal

From sea to shining sea, these unforgettable voyages between Los Angeles and Miami or New York are crowned by an amazing daytime transit of the Panama Canal. But that's not the only highlight, as you'll visit fascinating and colourful ports in Mexico, Guatemala, Costa Rica and Colombia with so much to discover.
