Modern LuXury

is:

Let us introduce you to the concept of modern luxury. It begins with the understanding that we live in a fast-paced, frenetic world, within which your vacation time has never been more important. It also begins with the understanding that within this new world, your definition of luxury, especially when it comes to your vacation, has evolved.

- It's cool, contemporary design blended with warm, inviting spaces.
- It's dining experiences where the design of the restaurant is just as important as the food.
- It's intuitive service with a keen eye for detail.
- It's days where you can do as much or as little as you want.

Because we believe every moment of your vacation should be measured by just how far it takes you from the ordinary.

That's modern luxurySM.

Modern Luxury is a trademark of Celebrity Cruises Inc.

When you give us your precious vacation days, we give you a world of modern luxury. That means you don't have to worry about a single thing (except perhaps which sensational restaurant or menu item to choose for dinner). So your vacation becomes a study in relaxation and rejuvenation. We've rethought everything about what makes a vacation more special, unique and a more unforgettable experience for everyone. From our European-style butlers to our complimentary extras, every detail of a Celebrity cruise has been designed with you in mind.

The Celebrity difference.

- Stunning spaces** World-class architects and designers have elevated style to high design to make sure you're surrounded by quiet and private settings, with beauty in every detail. In fact, our investment in quality has resulted in the 2010 Frommer's Cruises & Ports of Call declaring Celebrity Solstice® Class, "The most flagrantly beautiful megaships ever built."
- Award-winning cuisine** Everyone talks about the array of food on a cruise, but we seriously upped the ante when it comes to exquisite culinary creations. You'll find an epicurean adventure of unforgettable dining experiences thanks to our James Beard-nominated master chef Jacques Van Staden and his expert team. Celebrity offers world-class restaurants, crafted by some of the globe's foremost designers, so you can say "bon voyage" to boring buffets and unimaginative restaurants.
- Superlative service** Our world-renowned attention to detail and intuitive personal service cares for you like nobody else at sea. We offer a nearly 2:1 passenger to staff ratio, 24-hour complimentary room service, and pool butlers who make an afternoon by the pool a care-free celebration of relaxation. And our complimentary European-style butler service (for all suite guests) means we'll take care of unpacking your bags, making spa appointments, arranging dinner reservations, morning tea and coffee and so much more.
- World-class accommodations** Enjoy a luxurious hotel experience with restorative staterooms and suites that showcase modern, forward-thinking design and include plush linens, down comforters, Frette® bathrobes, a complimentary tote bag, custom-formulated bath products, flat screen TVs, well stocked mini-bars, vast veranda views and 24-hour complimentary room service.
- Entertaining onboard programs** Celebrity offers something for everyone, from full-production shows in state-of-the-art theaters, to live music and Celebrity LifeSM — our inspired onboard activities are designed to be the life of your vacation.

What's new. Europe via heaven.

• **Celebrity Solstice® Class — the youngest, most modern ships sailing throughout Europe in 2012.**

There is simply no more extraordinary way to travel to Europe than aboard Celebrity's renowned Solstice Class — the ships that set the standard for our entire industry. New for 2012, our European fleet includes the launch of Celebrity ReflectionSM. And available on both Celebrity SilhouetteSM and Celebrity Reflection you can now luxuriate in new spaces that include The Lawn Club Grill*, where you can fire up the outdoor grill, The Porch*, where you can gaze out over the cool, green grass of The Lawn Club, or the cool, blue sea, while savoring fresh fare for breakfast or lunch. Or you can simply relax and unwind in The Alcoves*, your own cabana-styled haven. See pages 68-71 to learn more about more about Celebrity Reflection.

Yes, the world does revolve around you.

Helpful hints

Celebrity Cruises® offers countless ways for you to make your cruise a truly personal escape, while delivering everything a vacation should be.

- **Pre-purchase** Spa appointments, shore and land excursions, specialty dining and beverage packages online and avoid standing in line or worrying about availability once your vacation begins.
- **Staying in touch**
Onboard Wireless Internet* All Celebrity ships have cozy Internet cafés and are equipped with wireless Internet-use areas that allow you to stay connected using your own computer. To learn about packages and pricing, visit CelebrityCruises.com/internetrates.

Cellular at Sea Make calls with your own phone from anywhere we sail. Use services like email, web surfing and text messaging, if your home carrier supports them. All charges will appear on your normal cellular bill. Contact your home provider prior to sailing to enable international roaming, if necessary, and to check rates.

- **What to pack** You could be going from dining to the dance floor to exploring ancient ruins in a short 24 hours. So we suggest packing three types of clothing: casual for day, comfortable for sightseeing, and your favorite evening wear. We always suggest comfortable, rubber-soled shoes, a sun hat, sunglasses and sunscreen. And be sure to bring clothing that can be easily layered for warmth, as well as a raincoat. For more information on what to pack, visit CelebrityCruises.com/packing for details.

*An additional charge will apply.
